

HOLDEN GARDEN CLUB APPLICATION: HOLDEN SCHOOLS GRADES 1-8  
2016-2917

The Holden Garden Club is pleased to invite applications from Holden elementary and middle schools for grant funds up to but not exceeding \$1000. One request per school will be considered. Awards will be given for the purpose of advancing knowledge of the natural sciences, horticulture, or the environment in grades one through eight. Examples of projects may include, but are not limited to, field trips to botanical gardens or museums, speakers with knowledge in these fields, demonstrations involving cultivation and plant growth indigenous to New England, or indoor or outdoor gardening on school sites. Purchase of materials needed for indoor or outdoor gardening may be included in the request. Active participation of students is encouraged in the project itself or in a follow-up of any presentation.

Applications may be submitted up to October 15, 2016. Projects should be completed by June of 2017. In the event that not all grant funding is expended, the money may be returned to the Holden Garden Club, or a plan to use remaining funds may be submitted.

**APPLICATION FORM**

**Name of Applicant** \_\_\_\_\_

**Name of School** \_\_\_\_\_

**School Office Phone #** \_\_\_\_\_

**Applicant's wrsd. email address** \_\_\_\_\_

**Principal's wrsd. email address** \_\_\_\_\_
